## Lightroom Classic 15.0 Now Supports Leica Native Tethering

### Direct integration for Leica SL3 and Leica Q3

**Wetzlar, 27th October 2025.** With the release of Adobe Lightroom Classic 15.0, Leica photographers can now connect their cameras directly to Lightroom Classic – without the need for any additional plugins. The new native tethering integration will be available starting October 27<sup>th</sup>, 2025, initially supporting the Leica SL3, Leica SL3-S, Leica Q3 and Leica Q3 43. Additional Leica models will be supported in future updates.

The live view function with autofocus point selection can now be used directly in Lightroom Classic in real time, offering precise control over exposure, aperture, ISO and white balance. This marks the first time that Leica cameras have been natively integrated into Adobe's creative workflow.

Nico Köhler, Head of Product Experience at Leica Camera AG: "We are delighted that Lightroom Classic now offers native tethering support for Leica cameras. This development is the result of close collaboration between Leica Camera and Adobe, aimed at optimising photographic workflows and further enhancing the Leica user experience."

#### About Leica Camera

Leica Camera AG is an international, premium manufacturer of cameras, lenses and sports optics. As part of its growth strategy, the company has expanded its portfolio to include mobile imaging (smartphones) and the manufacture of high-quality spectacle lenses and watches, and is also represented in the home cinema segment with its own projectors.

Leica Camera AG, having its headquarters in Wetzlar, Germany, and a second production site in Vila Nova de Famalicão, Portugal, operates a global network of its own distribution companies with around 120 Leica Stores worldwide.

The Leica brand stands for excellence in quality, German craftsmanship and industrial design, combined with innovative technologies. An integral aspect of the brand culture is the promotion of the culture of photography, with around 30 Leica Galleries worldwide, the Leica Akademie and

international awards such as the Leica Hall of Fame Award and the Leica Oskar Barnack Award (LOBA).
